Phelps Memorial Hospital is looking for students 14 years of age and over to volunteer at their hospital this summer. Volunteers will meet students from other surrounding high schools and enjoy the satisfaction of helping others. This experience can open doors for students interested in a variety of health-care related careers. Students can apply online by visiting their Volunteer Web site at: www.phelpshospital.org/volunteers or they can call the Director of Volunteer Services at 914-366-3170.
